IN GERMANY SINCE 1893

# W.HOFFMANN

**Crafted in Europe. Made by World's most prestigious piano maker C.Bechstein, Berlin.**

The 160 employees in C.Bechstein Europe in Czeche Republic are passionate and dedicated to make the most beautiful sound of Hoffmann piano which will be an inspiration to play in any part of the world.

W.Hoffmann piano has its brand origin in Germany since 1893, found its new home at Hradec Kralove , a beautiful town in touch with rich culture and tradition of music.

W.Hoffmann pianos are the embodiment of C.Bechstein, world's prestigious brand with over 150 years of tradition. The inheritance of Bechstein expertise flows from design to selection and processing of the material, ensuring strictest inspection by German engineers before the piano leaves the factory.
